Event reports:

Enduro Round 4 – Clarence Bush Circuit – 4th September 2005

So hands up everybody that has been riding and racing in dust for the last 3 years, that's pretty much everybody I guess. Well a few of us got lucky on one Sunday in early September. There were about 60 riders that toughed out the rainy overnight and morning conditions for this event and we were rewarded with one of the most fun events we have run for years. It really did pour down and the ruts were full to the brim on the first lap or two. We had included a large part of the MX circuit and as much bush as possible to make a hilly and well soaked 5 minute loop. With both wheels sliding and varying traction it really was a great test of skill. Despite the rain and wind I have never seen so many smiling faces in one pit area – like a bunch of kids playing in the mud. Who won? Who cares, it was just a great place to be and nobody got hurt despite the difficult conditions.

Please note that the 3 members of the club committee spent most of the day at Clarence on Saturday setting this loop up – Many thanks to Mark Bruce, Glenn Collett and the club members that also came along to help out.

Club Funded Motocross training day – 10th September 2005

The MX training day at Nowra with Smooth Hard Fast MX Training was a great success. There must have been at least 20 juniors and 20 seniors. The event was well run and by the end of the day we were all riding just that bit better than before. The juniors in particular were looking more confident and everyone of them progressed to getting some good controlled jumps on the MX track. We will aim to run this day again next year, so stay tuned.

Club Championship weekend – 1st & 2nd October 2005

I missed the Motocross Round 4 point score day on Saturday, but understand that the track was in great condition and everyone had a good days racing. Many thanks to the Nowra Club for putting in the effort and prepping the track, so that we could all have a great days racing.

The Enduro Round 5 race on Sunday was a classic Nowra sprint. Earlier in the year we had a more open loop, so this time it was set up a little tighter and took 10 minutes or so at the sharp end of the field. We're very lucky to have a venue where we can run a 10 minute long sprint loop. Once again the loop had a little of everything thrown in and with 5 laps on the day it was a good test of pace and stamina. Many thanks to John Edwards and the other helpers for taking so much time to set this up – just imagine how much work is involved in setting up a 10 minute loop plus a junior section !!

Upcoming Events:

Junior State Sprint Series – Wattle Flat – 5th & 6th November 2005

The 7th and 8th round of the NSW State Junior Sprint series will be held by OBMCC at Wattle Flat the weekend of 5 & 6 November, 2005. The State Junior Sprint Series is a great way for young riders to make the transition from minikhana / motocross to enduro competition.

The Sprint format is a short, timed loop through the bush, racing the clock (like an enduro special test, but without the trail time). The kids currently competing in this series are all having a blast - on average 5 rounds per day for 2 days - really good value compared with MX ! We have seen all levels of riding this year, so don't be afraid to try a "State" event - if you can handle our OBMCC jnr sprint days - you will enjoy this ride! But remember, you will need an MA National licence - NOT just a club or interclub license - to participate in this event, so upgrade now if you need to ! There are 9 different classes ranging from Under 17's to Under 10 miniwheels. Entries can be found on pitboard.com.au or by calling Lyn & Rick on 9487 2665. We will also need lots of OBMCC members to come and help, as we will need a fair few workers for

set up, running the event and sweep riding for these juniors. It's a good opportunity to get your work rule points and not actually miss a race day ! Please contact Rick and Lyn to confirm you are coming along to help. Let's keep Oyster Bay MCC at the forefront of off road racing in NSW.

2005 Work Rule points.

Next year we will have 2 ways that you can gain your work rule points for helping the club out. You can do the usual thing and help out setting up an enduro course or providing a worker (say lap scoring at motocross etc) – this will get you your 100 points. You can also get 50 points for just turning up at one of the club meetings (1st Wednesday of the month at Smithfield RSL – 7:30pm), 2 visits and there's your 100 points and you've had a fun evening with club members and a couple of beers. We have a good laugh at these meetings, so come along if you can and HELP YOUR CLUB.

2005 Annual General Meeting - Saturday 12th November.

As per last year the AGM will be held prior to the presentation day. Therefore we would like to see as many members as possible attend from 10:30am on the 12th November. The agenda will be:

1. Presentation and acceptance of the Treasurers Report for 2005.
2. Resignation of the office bearers for 2005.
3. Nomination and election of new office bearers for 2006.

Anyone interested in being a committee member as Club Secretary, Treasurer or President should come along and put their hand up.

2005 Club Presentation Day - Saturday 12th November from 11:00am.

We will be awarding trophies in every class to 5th place, so come along and grab your silverware. The ticket price includes a cold buffet and we will provide free soft drinks, bring your own beer if you would like, as the venue is not licensed. It's a great place, right on the water at the end of Kogarah Bay, there's also a children's playground and big grassy area to relax on. We will have a big raffle as usual with some great prizes. All in all you can't loose, so please come along as we're putting in a big effort again.

Could anyone with a perpetual trophy to return please phone Lyn Braico 94872665, to arrange their return – ASAP please as they must be engraved before the presentation.

OYSTER BAY MOTORCYCLE CLUB PRESENTATION DAY.
