Presidents Report

Welcome to the New Year!

Its 2010 already! It seemed like just the other day Oyster Bay MCC had its emergency meeting regarding the running and future direction of the club and here we are, 4 years down the line. This will be my fifth and final year of running the club as president, we need some fresh new blood to continue the future of OBMCC (junior Dads, this is your time to step up).

This year is a huge year for OBMCC as we prepare to tackle the Australian Four Day Enduro. We have formed an A4DE committee with Lyn Braico, Rick Braico, Don Atkins, Wendy, Scott Crowley, Brenda Larkin and myself. Big thanks must also go to Denise Hore, Richard Gaites, Rod Carter etc for stepping up and helping out. It's now up to you, OBMCC members to come out of the woodworks and help over the four days. More on that later. It's a huge effort and hopefully it will all go according to plan and budget. The event is promising to be much better than Orange last year, as Rick and I start on preparing the trail and tests. Central Tableland MCC are setting the trail sections and thanks to them for putting together some of the best trails in the country. You won't be disappointed, maybe tired though!

We say goodbye to Geoff Gradden who has been our treasurer for the past 4 years. We will certainly miss him at our General meetings, but will still see him around the race tracks. Thanks Geoff for all your hard work and effort. With that, we welcome Brenda Larkin as the new Treasurer. She got some big shoes to step into, but I am quite confident she will do just fine.

Unfortunately Mary Yeates has resigned as secretary. Mary has done an excellent job for the past 4 years and she will be missed by all. If there is anybody interested in helping out as secretary, please contact me.

Well the club calendar has been set and our first round of the club championships was a sprint at Nowra on the 7th March. We had 170 riders enter and only managed to get 4 laps in. Thanks to Nowra Club for running this event and inviting OBMCC. Also a big thanks to John Edwards and David O'Regan for setting out an excellent track and to Karen O'Regan and Wayne for helping out with the scoring. Please note that the

calendar is not set in concrete and will change as we fit in and around the National and State Enduro calendar, so watch the website for any updates and changes.

2010 Yamaha Australian Four Day Enduro

Firstly I would like to thank Yamaha for stepping in as the Event sponsor for the A4DE. They have

I would like to also thank our other sponsors for all contributing towards our efforts in making this the best A4DE ever. Big call I know, but this is our aim.

Gold Sponsor

Sports Camera, KTM, Husaberg, Pirelli, Motul, Kenny Signs and Nycon Security

Silver Sponsor

Muc-Off, Newlite, Sutto's Motorcycle Supply, Triple R Motorcycles, Unifilter, Barkbusters, Prorider and Ballard's Offroad

Bronze Sponsor

Australian Dirt Bike, Western Motorcycles, Hills Photography, Central Tablelands Motorcycle Club, Scott and MSC.

Early bird entries have now closed and normal entries close on the 25th March 2010, so download the entry form and send it off right now.

The A4DE does not run by itself and we need a lot more helpers. We have 9 tests (yes 9) and up to 12 controls to manage, so PLEASE step forward and help. This will be a great opportunity to get in close to the action and either watch, talk or just admire our champions like Stefan Merriman, Jared Bewrley, Toby Price and our very own Geoff Braico. You may even get to score there route cards, and if you really want to, give them a hug.

So please, if you have not already done so, download a Volunteers form from our website www.a4de2010.com.au and send it in, we need your HELP!!!

Karen O'Regan and Heather Stockwell have graciously stepped up to take over Lyn's responsibilities as the A4DE support Team Leaders and will be delegating and organising all things related for the support teams and the crews.

This does not mean that you can not be in a team, by all means, get a group together, rent your own container, and use you own helpers. It is possible and anybody can do it. I have scheduled a OBMCC A4DE meeting for the team members and there helpers for the 27th March, so please, if you are in the team, come along with your helper(s) to confirm our plans and talk about the A4DE requirements. Please confirm you attendance to me to president@obmcc.com before 3pm on the 24th March and I will send you the time and address details. All OBMCC A4DE riders and there helpers are welcome. The information shared at this meeting is for the helpers too, so please bring them a long.

Reminders

We need your help at the A4DE from the 8th to 11th April 2010. If you are not riding the event, please come and help. We need control people and test timing people and it is a great way to get out and meet the countries top riders.

So please, if you have not already done so, download a Volunteers form from our website www.a4de2010.com.au and send it in, we need your HELP!!!

We have a working bee on the 28th March to set up 3 grass tracks and we will then be bunting all the tests over Easter weekend, so if you would like to help (even if you are riding), please contact Lyn Braico on 0422 580 922

Well that's about it from me, See you at 4 Day.

Thanks

Chris
