The weekend

OBMCC is more than just an Enduro based Off Road Motorcycling Racing club. The atmosphere at the farm was about families (12 day old babies to riders close to 60) enjoying each others company and some great riding for those interested. Everyone willing to help set up camp then pack up on Sunday afternoon, work on bikes, watch out for the younger riders & non riders.

Yes it is true that I “Dave Fall Down” fell on the Pee Wee track, I had to show the younger ones that everyone falls down.

90 people were fed on Saturday evening after the AGM and the 2011 presentation, some missed out on a main meal as the organisers catered for 80 (the number of RSVP's received).

Thanks to those who helped out which ensured all had a great time:

- The Braico's for the use of the farm,
- Ailsa, Barbara, Heather, Kym & Natalie, for preparation of Saturdays roast dinner,
- Rick for leading the trail ride on Sunday, he even had fuel & snacks stashed in the bush,
- Geoff for conducting the senior riding school
- Martin for conducting the junior coaching school
- Whoever organised the MNSW permits, track preparation, Loo hire etc (I will find & thank you personally
- OBMCC for covering the majority of the costs.
